

# Hello Readyman

Specialized in Safe Portable Power

## SOLAR GENERATOR

500Wh

Build in huge capacity Lithium-ion battery pack, in order to make your RV and outdoor life homely comfy

## HOW IT WORKS

Note: Solar charge times depend on weather conditions.

## Power Device

Provide power support for all kinds of household appliances

## Portable Eco-Friendly Energy Storage

Can be carried anywhere, provide charging anytime and get recharging easily from a compatible solar charger

## Scenario of application

Outdoor & RV travel/Home blackout/Catastrophe/Emergency

Camping

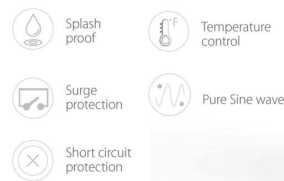

Emergency

Outdoor work

## MULTI — PROTECTION

Battery Management System(BMS) ensures complete protection for you and your devices.

## Functional Specification

## Technical Details

**BATTERY**  
Cell Brand: LG  
Type: Lithium-ion  
Capacity: 500Wh

**GENERAL**  
Weight: 5.84Kg  
Dimensions: 270X170X317.6mm

**INPUT**  
Charging Port: 25.2V/3.5A

**OUTPUT**  
AC Output: 110V, 2.6A, 60HZ, Pure-sine,  
300W continuous, 500W surge peak  
6mm DC Port and Cigarette lighter adapter port:  
12V, up to 10A (120W total)  
USB Port: (2X) 5V, 2.1A(21W max)
